And now, we'd like to address some FAQ's

1. Who can participate as a Groupon client?

Anyone who is a **FIRST TIME client** to Pilates 1901 purchase a **Groupon** pass to Pilates 1901. **This offer is NOT available to current members, returning members or others who have already taken classes or sessions at the studio.**

2. What classes are included in my Nooner Groupon pass?

This depends on the Groupon Nooner that you purchased. You may purchase both: the 10 session Nooner Mat or 4 session Nooner ON RAMP class pass. Each package costs just \$39 for Grouponer. The Nooner Mat 10 session Mat pass allows you to take any midday Mat Express, Nooner Ball Express, Fusion or Kettlebell workout. The 4 session Nooner On Ramp package allows you to take any midday On Ramp class. Cardio tramp is an equipment based class and not included in your **Groupon** membership.

3. When does my Groupon start?

Your **Groupon** pass begins the first day you participate in a workout with us and expires 45 days from that date. **You may pre-reserve all of your classes to guarantee your spot but you must cancel 6 hours prior to the workout or you will lose your class. We do not refund late cancellations.**

4. What happens after I use my 10 Groupon sessions?

While we can't guarantee that you will have a complete body transformation after only 10 classes we are very certain that you will feel the difference in your body from our Pilates mat and cardio classes. **Therefore we will give you a FREE MONTH of mat classes when you sign up for a twice a week mat/cardio membership. That's a savings of over \$118!**

And you can use this Mat/Cardio membership to progress through our Pilates ON RAMP Intro to Reformer Training to be allowed into our Cardio Tramp workouts. This is by far the best membership value in the studio!
