

Feeding HOPE

A Benefit For Mimi's Pantry

Our Mission

Feeding Hope Gala
May 11, 2024

Our mission is to bridge the gap for individuals and families who are faced with the challenge of having enough nourishing food available to them.

Nearly 1 in 7 families in our community are "food insecure" ...meaning they are not sure they will have the ability to meet their food needs from one day to the next.

These families may have unexpected expenses come up which disrupts their monthly budgets and makes providing food to the family a major challenge.

Mimi's Pantry provides a temporary stop-gap for individuals and families in this type of predicament.

Who we are

Mimi's Pantry is a state of the art pantry, offering a full range of food items needed to provide a nourishing, balanced meal.

The pantry is stocked with boxed and canned goods, along with a wide variety of fruits, vegetables, and frozen meats.

It costs about \$7 to feed one person for a week at Mimi's Pantry. In 2023, the pantry served 2100 individuals per month, and that number is still on the rise.

In the four years since opening Mimi's food costs have more than tripled. It now costs \$15,000 per month just to serve the families in our community.

What we do

Mimi's Pantry isn't like any other pantry. They installed their own growing dome to provide fresh vegetables for clients; planted an orchard to grow fresh fruit, and added a second location, Mimi's 4 Kids, to meet the needs of children facing challenges, where they need it most - at home, at school and at play. Mimi's 4 Kids supports kids K-12 with new coats, shoes, and backpacks as well as special educational and social events.
